

STEVE'S

Steve's Cycle Paths Spin-a-thon
Saturday, February 7, 2015
@ The Pen Centre
8:30 a.m. to 3:30 p.m.

STEVE'S

Steve's Cycle Paths is having our 1st Spin-a-thon for 2015 to help raise money and awareness for the Princess Margaret Hospital - Ride to Conquer Cancer.

In a time when it seems we have all been touched in some way by this disease, Steve's Cycle Paths are committed to the over 200 km ride for the 8th year in a row!

We need your help in order to raise awareness, recruit team mates and to raise monies for this year's ride.

Proceeds will be split amongst those riders who attend and need the most help. Come show your support for the team and help our fellow team mates that are having challenges meeting their minimum pledge.

**We need a minimum of 30 volunteers to help this day....
Please RSVP before January 28th.**

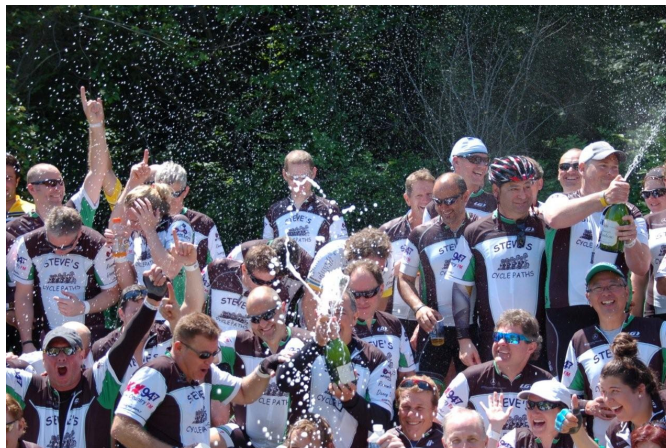

Bring your bike & trainer to set up to spin for a few hours. We also need our team mates & volunteers to be around to help collect donations and to answer questions and sign new riders up to our team.

Please choose a slot that you can be present for, to spin and help with the event.

8:30 a.m. to 11:30 a.m.

11:00 a.m. to 2:00 p.m.

12:30 p.m. to 3:30 p.m.

We are a team and need to pull together to help make the ride possible for all of our team mates.

Email Dave Winckler providing him with the time slot that you will be available to help.
